You fit it.

Designed to fit everything you and your busy life can throw at it. The versatile KONA offers plenty of room for both passengers and cargo-it is amongst the best in class for leg, shoulder and headroom. And the wide-opening rear hatch and low load height makes loading quick and hassle-free. A compact SUV that doesn't compromise on space, KONA also delivers an outstanding trunk capacity of 361 litres. It's also simple to adjust : you can fold down the rear seats in seconds with a single touch. And with the seats folded flat, you have a roomy 1,143 litres of space-perfect for weekend escapes.

High quality interior & features: You enjoy it.

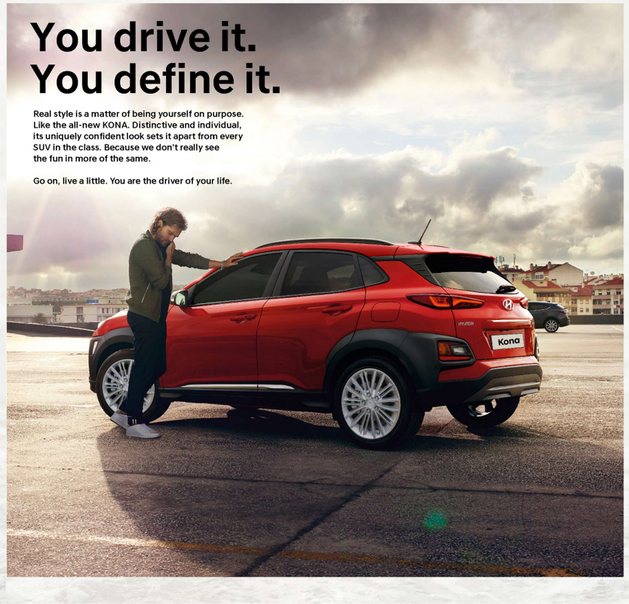
HYUNDAI

You drive it. You define it.

Real style is a matter of being yourself on purpose. Like the all-new KONA. Distinctive and individual, its uniquely confident look sets it apart from every SUV in the class. Because we don't really see the fun in more of the same.


Go on, live a little. You are the driver of your life.
